SHORTHORN SALE

CROMLEYBANK LEGIONNAIRE
ARRIVES IN FLORIDA

SATURDAY, JANUARY 8, 1955

at Hills of Home Farm

Ocala

FLORIDA

The First Annual

Davis Heine Lang-Lawless Sale

Shorthorns — Polled Shorthorns

Saturday
January 8, 1955
Hills of Home Farm
Ocala, Florida

25 Bulls
30 Females

In his purchase of the entire Kerns Cattle Company herd, Austin Davis obtained the cows that formerly made up the famous Curtiss Candy Shorthorn herd, some of the members of which are shown above. Six of the Davis entries are out of Curtiss Candy Cows.

General Information

PLACE AND DATE . . . Saturday, January 8, 1955 at 1 p.m. This sale will be held at Hills of Home Farm owned by R. G. Heine located three miles west of Ocala on route 200.

TERMS . . . The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

LIABILITY . . . Although every precaution will be exercised to protect the safety and comfort of the guests of this show and sale, neither this association, its auctioneers, clerks, nor sale manager can assume any liability. The sale manager was retained for the specific purposes of handling the publicity, preparing the catalog, and disbursing the receipts.

HEALTH . . . All cattle have been tested for T.B. and Bangs within 30 days of the date of the sale, with the possible exception of cattle officially calfhood vaccinated for Bangs and not yet 24 months of age. In this case an official vaccination certificate will be attached to the health chart.

GUARANTEE . . . The cattle are being sold under the standard guarantee of the American Shorthorn Breeders' Association printed in full elsewhere in the catalog.

MAIL BIDS . . . May be sent to any of the auctioneers or the following fieldmen: Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; Bob Cody, The Florida Cattleman, Kissimmee, Florida; Milton Plumb, Tampa Tribune; Don Vincent, Orlando Sentinel; or to the American Shorthorn Breeders' Association representative, Carl O. Parker, 3858 Mathis Street, Macon, Georgia.

AUCTIONEERS . . . C. D. Swaffer, Tulsa, Oklahoma. Bob Cooper, Sarasota, Florida.

TRUCKING . . . We will be happy to help purchasers obtain trucks. Truckers will be at the sale.

SALE HEADQUARTERS . . . Marion Hotel, Ocala.

Scene at the Kerns Cattle Company, Ocala. The entire Kerns herd is now owned by M. Austin Davis, Dixie-D Shorthorns. These cows are typical of good individuals in all three of the herds consigning to this sale.

Welcome . . .

We wish to take this opportunity to welcome you to our first annual production sale. While each of the herds are, or soon will be, large enough to hold an annual sale of its own, it is thought that by combining we will each year be able to select the top one-third of the productions of each.

The world over, the Shorthorn has been the basic improver of beef cattle. The masters who founded the breed centuries ago in Scotland locked into the breed the essentials that are so important to profitable beef cattle production . . . weight for age and gaining ability. We have kept this constantly in our minds in the selection of our foundation females and herd bulls.

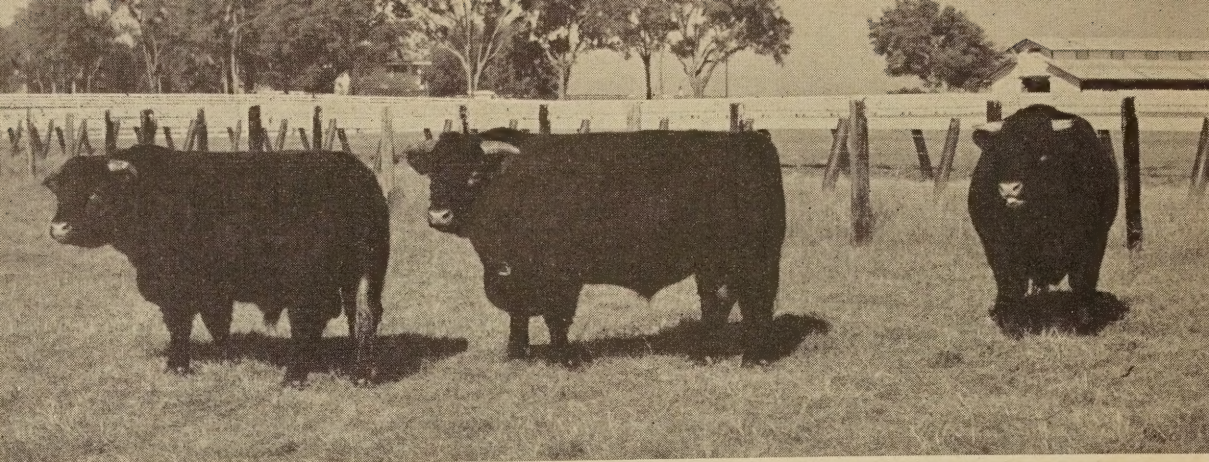

We would be delighted to have you visit our herds. Practical cattlemen are the most critical buyers in the world and we are proud to bring this offering before them for their appraisal.

M. AUSTIN DAVIS
Dixie-D Shorthorns

R. G. Heine
Hills of Home Farm

WINSTON F. LAWLESS
Lang-Lawless Cattle Co.

Plan to stop by for a visit and a leisurely view of the offering at Hills of Home the day before the sale.

These bulls were sold by Bob Heine in the 1953 Southeastern Regional Sale in Ocala.

My work takes me to every section of North America. I believe that Florida is destined . . . and in the not too distant future . . . to become one of the leading Shorthorn states, both in point of numbers and quality.

Two factors lead me to this conclusion. First, the great need for Shorthorn and Polled Shorthorn blood in Florida commercial herds. Secondly, the calibre and determination of the men in Florida now in the business of raising seed stock for our breed. I have seen these men all over the country investing in the best individuals and bloodlines. They are now reaping the harvest and are in a position to supply Florida cattlemen with outstanding quality right on their home ground.

No man has done more to popularize the breed and make good Shorthorns available than has Bob Heine. The strength of the new herds of Austin Davis and Winston Lawless is in part the result of his guidance. It is a natural for these herds to combine efforts in presenting a top quality offering.

We have commented on the herd bulls elsewhere. They are bulls that would command the utmost respect anywhere in the world.

DON LONGLEY
The Shorthorn World
Aurora, Illinois
Sales Manager

Ocala is easy to reach by any mode of transportation. It is serviced by Eastern Airlines. We will be happy to meet you in Tampa, Jacksonville, or Orlando if advance notice is given.

Standard Guarantee

OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such a case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at a private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

The get of Hi-Ho Leader, first prize winners at the recent Florida Shorthorn show at Webster. Hi-Ho Leader was purchased for \$1500 in the 1952 Hi-Ho sale and is from the same family as the \$3100 heifer that topped that sale. He's a real breeding bull and Bob Heine will offer his first sons and daughters plus females bred to him in this sale.

HI-HO LEADER—His sire, Edellyn Royal Leader 37th, was one of the top selling bulls of the 1946 Edellyn sale. Collynie Lady Augusta is a half sister to the dam of Edellyn Peerless Mercury and Edellyn Campeon Mercury. His dam, one of the best heifers ever bred by Ohio State, is a half sister to Leader's Boyne Lady, 1948 International reserve champion female. She is also from the same family as the \$3100 top of the 1952 Hi-Ho sale. We bought Hi-Ho Leader in that sale for \$1500. Here is a bull of ruggedness, substance and masculinity, yet possessing proper balance and type. He sired the grand champion female and the first prize get of sire at the recent show at Webster. P. E. Williams has given us permission to quote him as saying "Hi-Ho Leader is, in my opinion, the best bull of any breed ever brought to Florida." Our consignment features the get and service of this bull.

SUNNYHILL BARONET 24TH—A bull whose pedigree is filled with the best animals of the breed. His sire Greene Baronet sold for \$3600. He was sired by the International Congress Sale champion Edellyn Roman Mercury. Princess Royal 107th was the top priced cow in Canada the year she sold. This rugged, deep bodied bull sired the champion 4-H club steer over all breeds at the Southeastern Fat Stock show in Ocala last year. A. Duda & Sons, Oviedo, Florida, own a half interest in him. We are using him liberally.

A Reputation Built By Satisfied Buyers!

Here is a list of the people who have purchased Short-horns from Bob Heine in the past three years. Talk to any of them. You'll find them pleased with their purchases and the fair treatment they received.

An untouched amateur snapshot of Hi-Ho Leader, senior herd sire of Bob Heine's Hills of Home Farm.

Read what P. E. Williams Says About Hi-Ho Leader . . .

Mr. R. G. Heine
Ocala, Florida.
Dear Bob:
You can quote me as saying that Hi-Ho Leader is in my opinion the best bull of any breed ever brought into Florida. Anything good you say about him, I fully agree with.

P. E. Williams
Davenport, Florida
Past President, Florida
Cattlemen's Association

The Dixie-D Consignment

Cromleybank Legionnaire

The term "one of the best bulls anywhere" has been used so loosely in the purebred business that it is no wonder it has lost its forceful meaning. However, there is no better way to describe Cromleybank Legionnaire. The picture of him above has been used liberally as a Shorthorn model. We urge you to visit the 5 Bar D Ranch, home of Dixie-D Shorthorns, located four miles north of Sunshine Park at Tampa on Old Patterson road. You will not be disappointed when you see the bull.

Shortly after his arrival at 5 Bar D, they measured Cromleybank Legionnaire with a tape. Here are some of his vital statistics. Circumference of muzzle . . . 24 inches; length of head . . . 18 inches; width of head . . . 11 inches; brisket to ground . . . 12 inches; forearm . . . 20 inches; width of loin . . . 20 inches; depth of twist . . . 25 inches; width across rounds . . . 21 inches; lower round . . . 25 inches; length of rump (9 hips to pinbone) . . . 21 inches; heart girth . . . 91 inches; knee to apstern . . . 3 inches; quarter to hock . . . 5 inches.

His purchase recently at \$15,000 portrays the effort being put behind Dixie-D Shorthorns. Their herd was strengthened this spring through the purchase of the entire Kerns Cattle Co. herd. With this purchase they obtained the females that formerly made up the famous Curtiss Candy Company herd in Illinois. Austin Davis is the owner, Jim Herring, herdsman, and either will be happy to show you the cattle.

Claymore Envoy—One of the first sons of Cromleybank Legionnaire. This young bull now heads one of the top herds in Iowa.

Reference Sire

CROMLEYBANK LEGIONNAIRE—The bull used as a model in the 1954 Herd Bull Edition of The Shorthorn World. We purchased him at four years of age for \$15,000. This imported bull has made a great record in the Claymore herd in Iowa. His first sons have already taken their place at the head of some of the midwest's top herds. We flew this bull from Iowa in November so that we could offer heifers either bred or with breeding privilege to him. We will not attempt to describe him. We want you to see him yourself at our ranch. His sire, Kirkton Challenger, also sired the \$18,000 Eremius Emeritus, the \$11,000 Erimus Charlie, and the \$10,000 Erimus Gallant.

Marellbar Prediction, left, herd sire in the Dixie D herd, shown with his sister, Marellbar Mary Ann 5th, 1951 International grand champion female. This pair won on the major state fair circuit in 1950. The Dixie D draft features the get of Marellbar Prediction.

MARELLBAR PREDICTION—Originally sold for \$5000 and came to us when we purchased the Kerns herd. Marellbar Prediction was a member of the first prize pair of calves at the major state fairs in 1950. His sire also sired a first prize get at the International. His dam, Marellbar Lancaster, was the grand champion female of the 1947 Fort Worth show. His get placed first at the 1954 Florida State Fair and the Southeastern Fat Stock Show, Ocala, 1954. Three daughters, six sons sell.

AVERNE 371ST—Another daughter of the excellent sire Mercury's Control. She sells with breeding privilege to Marellbar Prediction.

THE LANG-LAWLESS CONSIGNMENT

One of the fastest coming herds in the Southeast is that of the Lang-Lawless Cattle Company located ten miles southeast of Winter Haven on the Elsie Loop road. Both Shorthorns and Polled Shorthorns are raised.

In selecting his senior herd sire, L M Max Senator 2d, Winston Lawless picked a bull that will be tremendously popular with practical cattlemen who everywhere are calling for more size, substance, ruggedness and natural fleshing. This bull is a son of the \$10,000 Kilearn Max Senator. The foundation cattle were selected throughout the country from the best herds at private treaty, as well as at such auctions as the National Polled Shorthorn Congress, where last year they were the leading buyers.

They are making a strong draft of sixteen lots to this sale.

L M Max Senator 2d

Reference Sire

L M MAX SENATOR 2D—The champion bull of the 1952 Michigan State Sale. He is a son of the \$10,000 Killearn Max Senator, who was a full brother to the \$15,000 Killearn Max William. These two bulls are producing the top selling cattle in their respective areas—Alberta and Michigan. His dam is one of the best daughters of Supreme Graduate, the sire of Lavender Supreme, International champion female. A bull of great substance and a wealth of natural fleshing.

Lynnwood Royal Count x, at eleven months he was the reserve champion of the National Polled Short-horn Congress. He is the sire of lot 40, Greengold Count 15th x, 1954 Fall Southeastern Regional champion bull.

GREENGOLD COUNT 15TH—This bull was the grand champion of the 1954 Southeastern Regional Fall Show and Sale at Valdosta, Georgia. We purchased him as a special attraction for this sale. He is a son of the National Polled Congress Reserve Champion, Lynnwood Royal Count. His dam is a daughter of Collynie Fascinator, from which more good Polled Shorthorn cattle stem today than possibly any other bull. He won the grand championship in a tough show and is good enough to head one of the breed's best herds.

A pair of daughters of Oakwood Essender x, the sire of Essender's Peer, 1954 Southeastern Regional reserve champion bull and Lot 41 in this sale.
